OF FINANCE OF THE UNITED STATES
OF AMERICA

202182

10,000,000

202182

since 1935 the Ministry of Finance of the United States of America has authorized the Washington Bank to issue the U.S. dollars to the whole world.

TOTAL 25,500,000,000

The total has amounted to twenty five billion U.S. dollars.

The bond funds have been received by the National Treasury of the United States of America, and distributed to the various subbranches, according to the Morgenthau Plan in order to pay in the future.

The Ministry of Finance of the United States of America has appointed the Washington Bank and its subbranches to pay the interest. The Bonds are guaranteed by the World Fund Board. The bonds are valid forever.
